I hereby certify that I have been acquainted with Dr. J.

Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this Da. Bamsos; —I take the liberty and fell it to be my duty to recommend to all persons infiring from discuss of the stomach and bownle, your Alterstive Compount, as a very

Hestsvalle, Oct. 17, 1°52.

Dr. Berson:—Some time has chassed aims I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst hind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being personaled to try your alterative compound, I did so—and I am happy to say that it has entirely cured but; and I would conscientionally recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON. HUNTSVILLE, Sept. 29, 1851.

Du. Bernson—Having seen the publication of your Alter-ntive Compound, I think it my duty to say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is gi-yen by physicians, and never found any thing that would cer-tainly relieve me, until I tried the above medicine, which has relieved me in every attack in less than an hour.

Gillis County, Tenn., Dec. 23, 1851.

Du. Bledson:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to farther to you and to those who are afflicted, were 1 not to faither recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspensia again I shall be sure to call on you. I am very respectfully your friend.

This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. the benefit of the best medical salvice that a loving and wealthy father could procure, without avail. It was one of the noos ingravated cases I ever saw; he was emainted almost to a skeleton. By the use of a few bottlesof the Otatment he was thoroughly cared, and for seven months past has

enjoyed robust health.

This was an extreme case of inflammation of the splere, of long standing; has a variety of treatment from no less than of long standing; has a variety of treatment from no less than eight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. They had trued the best physicians in the State, without benefit; and one of them had been under the treatment of the celebrated Dr. Marry, of Cincinnati, for eighteen months, and had expended bundreds of dollars in vain efforts to effect a cure. They are now by two of the Magnetic Cintment, hearly or quite cured; and are able to read and attend to any ordinary business.
